HIGH CAPACITY BULK COIN DISPENSER with Series 4e

The Tidel High Capacity Bulk Coin Dispenser, powered by the Tidel Series 4e, offers a convenient way to dispense bulk coin on demand, using a secure and auditable process.

Equipped with 8 coin hoppers that can be programmed to handle a wide variety of currency mixes, the High Capacity Bulk Coin Dispenser is an ideal solution for grocery stores, transportation companies, big box retail, or hospitality organizations that require a dependable solution to manage the disbursement of coin, as part of their day to day cash operations.

The High Capacity Bulk Coin Dispenser can dispense any combination of coins in preset amounts for start-of-shift till preparation with just the touch of a button. Dispensing coins and accessing the coin hoppers is completely auditable and managed by individual user PIN. The High Capacity Bulk Coin Dispenser supports 8 coin hoppers, with each hopper capable of dispensing up to 8 coins per second. The coins are dispensed into a removable coin tray for easy handling.
